My Boyfriend is
Cute Anyway.

Hi, I'm Yonezou

I wanted to do a summer-like book.

I made them flirt around though.

Nemu's wearing his usual briefs on the cover, so maybe he's surrendered himself to Maya faster than we thought. (˘ ³˘)♥

Since I've already given you some spoilers, and seeing as you've read this far, please read the

This time, even though Maya did something very unusual, which was servicing Nemu with his mouth, it'll be very white. Very, very white.

Since Doujinshi usually come out once every half a year, I was like "Yeah!" and "18+ time is here," so I started to draw this very enthusiastically. But when it was time for the correction stage, I was like "Ah. That's right. I was supposed to erase the pencil properly or I wouldn't be able to move on." and then my eyes were white. Hmm.

It's high time I remembered that. It's high time I remembered that! Well, then. This time, this is where we must part.

See you at the next event!

Ah!
startle

Maya, you're in here!
